

# The North Star New Year's Fortune Cookie Template

Cut these fortunes into strips and fold inside your cookies... bake and serve!  
Write your own in the blank spaces! Inspire your friends!

Help a friend take a few steps toward their dream.

Time to make your dream come true.

A new person you will meet soon will help you make your dream come true.

This is the year. Believe and make it happen.

A message in another language will enlighten you.

Think of the place that would inspire you most. Go there there soon...

How big can you dream?

Sometimes the less you try - the more you succeed.

Yes... it can happen... are you ready?

Draw a picture of your dream.. see it... and it will be closer at hand.

Write your dream on the other side of this and slip it into your pillow case.... dream deeply.

If you are ready you will hear the message you need to hear to make it happen.

Be sure to eat enough ice cream on the journey.

This is going to be the healthiest year yet....

Be sure to appreciate the stars in your constellation.

A fortune is heading your way.... an unexpected kind of wealth.

Difficult parts of the journey make you stronger....

Make rest an important part of the journey.

Good karma begets good karma.

A happy moment is near.
