

Stationery Studio 1.2.1 Patch Download Instructions

1. Make sure you **do not have Stationery Studio open.**
2. **Click on the download link** to begin downloading the patch.
3. You will see a dialog box titled **“Opening StSt_1_2_1_Patch.zip.”** Click **“Save file.”**
4. The zip file will appear on your desktop. Right-click on it and choose **“Extract all.”**
5. In the extracted folder you will see a **“Stationery Studio.exe”** file. **Copy that file and paste it into the Stationery Studio folder (navigate to C:\Program Files\FableVision\Stationery Studio).** It will ask if you want to replace the existing **“Stationery Studio.exe”** file. **Click “Replace.”**
6. Once the new **“Stationery Studio.exe”** file has finished copying to the Stationery Studio folder, double-click it. **Select “Run.”**
7. After downloading the patch, **open Stationery Studio.** You should now be able to print dotted fonts.
