## 2004 Teacher Raves

*Instructor's spring product guide  
for teachers, by teachers*

**NEW! SPRING PRODUCT GUIDE, PAGE 57**

Check out this issue's **Teacher Raves 2004**—over eight pages of the very best resources for the classroom, chosen by our editors and teachers like you. Our team of teacher-reviewers rated hundreds of great products—from manipulatives and building sets to learning games

and curriculum-based software. Here, we present their picks of wonderful materials that will enrich your language arts, math, science, and social studies lessons. You'll also find top choices in creative learning supplies, professional resources, and technology. Enjoy!
